Parini Mehta has managed large, prominent healthcare projects throughout California. With over 15 years of experience, she is known for her strong work ethic, thoroughness and thoughtfulness in crafting creative options and solutions for clients, patients and their communities. She has managed projects for Scripps Health, Kaiser Permanente, Stanford University Medical Center, LAC+USC Health, Cedars-Sinai Health and UCLA Health. Parini recently served as project manager of the Cedars-Sinai AHSP 4th Floor Surgery Remodel, Scripps Mercy Replacement Hospital, and KP Moreno Valley Medical Center. She received the AIA/Academy of Architecture for Health’s prestigious “Best Under 40” national honor in 2019. Parini holds a Master of Architecture from the Southern California Institute of Architecture, and a Bachelor of Science in Architecture from the University of Michigan.
